I WOULD LIKE TO TAKE THE TIME TO RESPOND TO THIS ,,MY FATHER WORKED IN THE ASBESTOS WORKERS LOCAL #47 FOR OVER 30 YEARS, DURING THE FIRST 10 YEARS OF HIS EMPLOYMENT, HE WORKED WITH ASBESTOS,, PRIMARLY IN SCHOOLS AND COMERICAL BUILDINGS,, THIS PRATICE WENT ON FOR OVER 10 YEARS, FROM 1962- 1972,, IN 1972 ASBESTOS WORKERS WERE NOTIFIED THAT ASBESTOS WAS VERY DANGEROUS AND WOULD NO LONGER BE USED IN PUBLIC BUILDINGS,, WELL AFTER OVER 10 YEARS OF EXPOSURE TO THIS,, HE HAS NOW BEEN DIAGNOSED WITH LUNG CANCER,MY PROBLEM IS THE ASBESTOS MANUFACTURES KNEW THAT ASBESTOS WAS A HIGH RISK MATERIAL,, YET STILL ALLOWED WORKERS TO BE EXPOSED TO IT,NOW YEARS LATER AS THESE MEN CONTRACT CANCER THE BIG SHOTS IN BIG BUISNESS WANNA DUCK THERE RESPONSIBILTY OF COMPASATING THESE MEN. ANYONE WHO HAS BEEN PUT IN HARMS WAY BY THIS PRODUCTS MANUFACTURES SHOULD BE COMPANSATED FOR THERE DETERATION OF HEALTH,I OPPOSE THIS ACTION AND HOPEFULLY THIS WILL FAIL. THANK YOU T. DUQUETTE.
